

History Dept. Furrowfield school

Welcome

Welcome to the History Department. We offer a range of courses and opportunities for our students both within and outside the curriculum. Our aim is to make what you learn relevant but also to give you the knowledge and skills to progress into whatever routes you want to take in the future. Whether that is becoming a History Teacher or working within English Heritage or even becoming an Arachnologist.

In the History Department

- Mr S Dodd
- Mrs J Metcalf
